# Blue Quetzal Birds

Museo Popol Vuh  
Universidad Francisco Marroquin

Nicholas Hellmuth  
May 2024

I consider this one of the greatest works of Classic Maya Art among the treasures in the Museo Popol Vuh. But I have only these two photos. So needs to be re-photographed (in the future) in more detail, including the designs around the main container.

But if you are visiting Guatemala, you absolutely need to visit the Museo Popol Vuh, on the campus of Universidad Francisco Marroquin.
